January 2016

Dear Friends,

During holiday seasons we have a few family gatherings where we often play games, eat foods with grandmother's recipe, watch movies, and talk about "joys and concerns." What really binds us together as a family is "love." I was invited to a "Jordan" family Ping Pong tournament on Christmas Eve after the 9:00 PM service. We played some "tough" games, but I could feel the love that bound them together as one loving family.

As I look around the whole congregation during Sunday mornings, "I see you (sa-baw-na)" as individuals, families, small groups, and one single family. Once an individual is living well, his/her family will be better off. Then when each family is healthier, the whole church will be spiritually sound and well. However, we all live in a liminal borderline between happiness and unhappiness, between joys and concerns. "I see you" when you are in grief as well as in hope and joy. When a family gathers together, we are not embarrassed with "seeing each other closely and even intimately." So the greeting of "I see you" is actually a family language.

It (Sa-baw-na; salutation) leads us to another level of salvus, "safe," or salve, "wellbeing," or "Salvation." The French word, "salut" captures these two aspects of salvation altogether: one is "greeting (salutation) such as "hi," and the other, "salvation." When we greet each other with "salut" or "I see you," that is a moment of salvation where we embrace each other in our own family circle as well as others such as strangers.

My hope is that our church will be able to say, "I see you," "salut," "hi," or "ahn-nyeong (Korean)" to "every other" [tout autre] as wholly other [tout autre] to build a salvific community where everyone is welcome, where everyone is being well, and where everyone is mended. It is simply love, a divine mode of being-with!

Shalom, Pastor Heecheon

Church Council Update

Church Council met on Sunday, December 6 and approved the 2016 church budget presented by the Finance Committee. There is much to thank God for and to celebrate! Our Generosity campaign this year generated pledged income 20% above 2015 and equal to 84% of next year's budget compared to 65% of the budget in 2015.

It is a joy that our 2016 budget allows for a 2% increase for our church staff members. For the first time in a number of years, the Finance Committee was able to present a balanced budget of income and expenses at \$444,800.00. (Copies of the detailed budget are available in the church office.) Additionally, the 2015 budget deficit has been significantly reduced through generous year-end giving by our church family.

Christ is truly at work among us at UMCMV! Let us go forth to make disciples of Christ for the transformation of the world.

Church Council will meet next on Thursday, February 4 at 7 p.m. in the Common Ground. All are welcome to attend.

Ruth Miller, CC Chair

LET'S WELCOME ALL VISITORS!

Last year a lovely 'Welcome Table' was set up in our Narthex. On it are packets for visitors telling about opportunities to participate in small groups and Sunday School classes. It also contains a map to find one's way around our church building. There are also some paper-back New Testaments that visitors are welcome to take.

Last year we scheduled members to sit at the table for each service to attempt to spot visitors and welcome them. We found it hard to see who might be attending for the first or second time as people rushed by. Therefore, we are now asking EVERYONE to be part of our 'Welcoming Committee.' If you see someone you don't know – be brave! Introduce yourself and ask if they are new visitors. Then direct them, or better yet, TAKE them to the Welcome Table and make sure they pick up a packet of information. If they like, give them a New Testament, too. Let them know we are happy they chose to come see what we are all about. You'll never know until you try it, but this can be just as rewarding to YOU as to the visitor. Who knows, in time this very person might turn out to become a very dear friend you hadn't met yet!

UMCMV Starts Podcasts - Techies Needed

After fielding several requests to make our Sunday services available online, we have begun the process of recording, cleaning and uploading them. You will soon be able to visit and revisit sermons from Pastor Heecheon & Pastor Becky. We also hope to have you hear a variety of the music offered by our worship team, chancel choir and gifted organist. Please don't let the term "techies" fool you. What we need now are a few individuals that would like to participate in digitally recording these services, responsible for setting up and taking down the equipment and getting the content to Jim Baty for posting. We'd like to build this into a team if possible and opportunities abound. If you are interested in learning more about what this entails, please email Jim Baty at pga12b@batys5.com.

WORSHIP

Generation Change... a youth group Bible study for teens that will help your HIGH SCHOOL YOUTH understand who they are in Christ and how to apply His principles to every aspect of their lives . . . including how to handle MONEY (the truth about credit cards, student loans, buying a car, living debt free & more)!!!!

Beginning Wednesday, January 13, 2016, the High School Youth Group will begin this learning adventure, led by our own Angie Watson. The series will be broken down in to three sections, each containing 3 weeks of lessons. Your Youth have been told that while we want them to participate in all 9 weeks, they must only commit to one 3 week session at a time. During those 3 weeks, we don't want them to miss a week, if at all possible.

While the church typically tries to pay for all curriculum we use, for this series there is a **one time** \$10 fee to help cover the cost of the workbooks the youth will be using. That fee should be paid by January 3rd. However, if this is a hardship for you, there are scholarships available (contact Pastor Becky).

This is something our Youth Ministry Team has wanted the opportunity to teach your Youth for some time. We all wish *we* could have had this teaching before we were responsible for making financial commitments & decisions in our own adult lives. We hope you'll find it encouraging & helpful for your Youth. -- Pastor Becky High & Team

FAMILY MINISTRY

Heartfelt thanks to all those who bought gifts for

the three area families from SELCC's "Adopt a Family" program, and also 30+ coats for the Mission of Hope! The tree will remain standing, and mitten donations taken throughout the winter. Special thanks to project coordinator, Ryley Hoffman, for helping as part of her confirmation project!

OUTREACH

WE need your help!!

It is that time, again to set up the schedule for Ushers/
Offertory Assistants and we need volunteers. Being an
Usher can be one of the first impressions that our visitors
will have when they come to visit our wonderful church.
They are also responsible for handing out bulletins before
service and assisting with the offering. Being an Usher/
Offertory Assistant is very gratifying, and will help you
get to know our regular members and will help to invite
new members to come back! Thank you all in advance.
We couldn't do it without you!

Please email Dee Downey-Pata at <u>deena-downey@netzero.com</u> for 8:30AM Praise Service and Susan Pisarik at <u>ts.pisarik@iowatelecom.net</u> for the 11:00AM Traditional Service, for the Sundays that will work for you. Thank you!

WORSHIP

Hey Parents and Adults...You are on God's Team too! Here are some great ways for you to Exercise Your Faith:

"Care for Our Common Home"

The Danforth Class that meets behind the balcony next to the elevator each Sunday is reading together and discussing Pope Francis's Encyclical on "Care for Our Common Home."

Pope Francis begins with the reminder that Francis of Assisi spoke of the earth as "our common home that is like a sister with whom we share our life and a beautiful mother who opens her arms to embrace." He urges that "this sister now cries out to us because of the harm we have inflicted on her by our irresponsible use and abuse of the goods with which God has endowed her. We have come to see ourselves as her lords and masters, entitled to plunder her at will".

He goes further to point out the urging of the various Popes before him: 50 years ago when Pope John XXIII who wrote "to all men and women of good will...faced as we are with global environmental deterioration, I write to all the members of the church to enter into dialogue about our common home."

In 1971, Pope Paul VI referred to the "ecological concern of unchecked human activity that with this ill-considered exploitation of nature, humanity runs the risk of destroying it and becoming in turn a victim of this degradation"....saying that "the most extraordinary scientific advances, the most amazing technical abilities, the most astonishing economic growth, unless they are accompanied by authentic social and moral progress, will definitely turn against man."

And Pope Benedict XVI reminded the world that "we have forgotten that man is not only a freedom which he creates for himself...we must realize that creation is harmed where we ourselves have the final word, where everything is simply our property and we use it for ourselves alone."

The Encyclical covers a wide range of issues including not only the environment and climate change but also the family, economic systems, social orders, worldwide poverty, and global inequality. The class has had a spirited discussion on these challenging issues which are so intertwined with Biblical teaching. Though we are close to finishing our study within the next two weeks, we welcome and encourage anyone who would like to take part in the discussion to join us. It is very thought-provoking and gets to the depths of our church vision on how to lead all persons to a relationship with Jesus Christ if we don't live as if we have that relationship.

The Story

The Story, NIV (Amazon.com) group will meet each Sunday during the traditional Sunday School hour in the Library directly off Fellowship Hall. Our group will use this version of God's story, written to demonstrate the continuity of God's relationship with His people. For the 2015-16 season, we will enter into the beginning of God's story by looking at Genesis through Kings. Often assumed to be evidence of a harsh and mistrusting God, the Old Testament is filled with wonderful stories of God doing his best to woo us and abide with us. It really is the start of it all and sets the stage for the amazing transition of our God's deep yearning for our attention and the numerous ways we figure out how to ignore Him. If you want to know more, be more and love more, this is the study group built for you and we'll be waiting for you to join. All our welcome no matter the amount of your experience, confidence and knowledge. This is a discussion and a time to grow together in His Word. This group is facilitated by Jim Baty and will begin meeting October 4, 2015.

Pete's Chapel Class – The Book of Romans Sunday School, 2015-16

In the last half of the first century, Rome was the greatest city in the greatest empire in the world. The apostle Paul was writing to the new Cristian Church in Rome to be sure that they knew the proper Christian doctrine. As we study every verse of this wonderful book, we will obtain a clear understanding of God's grace, his guaranteed salvation for each of us, and his directions for Christian living. There are spectacular and special messages for us here; and we will get to see how these messages affected our religious fathers –
