Sunday School Dismissal Policy 2023-24

It is important that your child know your rules and our rules regarding dismissal from Sunday school. We require all children 2nd grade and younger to be picked up from the classroom by a responsible adult, or older sibling approved by the parents. Parents of children in 3rd-5th grade must decide if their children can be dismissed without a parent or sibling picking them up.

Please indicate your preferences for your child below:

Photo Permission 2023-24

We occasionally photograph our Sunday school students involved in nonpublic events within our Sunday school classrooms or church as well as activities outside our church. This is done so that we might share these activities with our congregation and the community through our church's Circuit Rider, Sanctuary video screens, website, bulletin boards, Facebook and other church communication materials. At times, student names may be included with these photographs. Local newspapers and local media will occasionally take pictures of students involved in church school activities and will request the student's name to be included with the picture.
