

Rooted Outings Permission Slip

There may be times where we participate in activities that will take Rooted students throughout the community. We would possibly visit other area churches or other destinations in Mount Vernon (ex: Davis Park).

WHERE: Around Mount Vernon and to other places in the Eastern Iowa Area

WHEN: During the normal times of Rooted on Wednesday evenings

It is important for you to know that all youth will be accompanied by volunteers on these outings. In addition, respect & self control is expected of all youth attending these events.

Questions: Contact Veronica Fisher (<mailto:veronicafisher@umcmv.com>) Thanks
